CASH PAY LAB WAIVER

Please read the following terms and conditions carefully before proceeding with walk-in/self-ordered lab work.

- Payment to Power of Wellness is due at time of service for any self-ordered labs. Power of Wellness offers discounted walk-in, self-ordering lab services to the community on a cash pay basis. Patients using the self-order lab service are not able to submit charges to their insurance.
- Power of Wellness offers a national certified phlebotomy technician (NCPT) to help patients with their labs. Lab work is sent to one of our third-party processing lab (Quest).
- Walk-in/Self-ordered labs are not intended to be a substitute for a physician's consultation. Lab test services are offered for wellness monitoring purposes only. The tests listed on our website are NOT intended to diagnose, treat or cure disease. If a laboratory test result is outside the normal range, you are encouraged to see a physician. If you do not have a physician we can provide help to match you with a physician available. *Power of Wellness does not recommend self-diagnosis or self-medication, and no information within this website, or presented herein, may be construed or interpreted as recommending self-diagnosis or self-medication. Power of Wellness gives no warranty that any clinical lab test will diagnose or prevent disease.*
- Individuals with health disorders, medical conditions, or any condition needing medical supervision assume full responsibility for obtaining professional medical assistance. Accordingly, all walk-in/self-order lab patients are strongly encouraged to consult and work with an experienced health-care practitioner regarding any symptoms, abnormal health screens or medical conditions.
- Every test has benefits, risks, limitations, and the potential for false positives or false negatives. Each test, and its result is provided for informational purposes only and is not a substitute for the care, medical advice or treatment provided by your physician. Results are best interpreted in the context of your overall clinical evaluation with a physician. Laboratory test results may vary depending upon age, sex, time of day blood sample is taken, diet, medications, and the limits of modern technology. Many tests, in order to be validated, will need to be repeated at the discretion of the consulting or treating physician.
- Power of Wellness shall not be liable to you or anyone else for any loss or injury caused in whole or in part by procuring, compiling, interpreting, delivering or reporting information. In no event shall Power of Wellness be liable to you or anyone else for any decisions made or action(s) taken or not taken by you in reliance on such information.
- Power of Wellness will not be liable for any injuries sustained in obtaining lab samples including but not limited to: bleeding, infection at site, scarring, nerve damage, or any other unforeseen injuries while performing an invasive venipuncture procedure.
- Power of Wellness is not responsible for any lab samples after they have been turned over to our third-party processing lab. Power of Wellness is not responsible for the actions, or inactions of Quest Diagnostics.
